Community ID # FL0284

Dear Mr. Caton:

In accordance with paragraph 28 of the Commission's Sixth Order on Reconsideration in MM Docket No. 92-266 (the "Going Forward Order"), we are enclosing a copy of this system's notification to subscribers regarding changes to our Value Pak.

On January 26, 1995 we inadvertently sent to you a copy and not an original line-up card along with the subscriber statement messages.

We apologize for our error. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Sonya Moeller'.

NOTICE OF PROGRAMMING AND RATE CHANGES

Dear Comcast Cable Customer,

American Movie Classics (AMC) will be available on Comcast Cable by February 17, 1995.

Comcast is pleased to provide you with more programming choice and variety in 1995 with the addition of this new channel.

Here are the details of our programming changes, and rate changes that will be effective with your next bill.

The rate for Limited Service will decrease \$.06 to \$11.04 per month.

The FCC regulatory fee of \$0.03 that is currently included in Limited Basic will be listed separately on your bill. Effective March 1, 1995 this fee will increase \$0.01.

AMC will be added to Value Pak. As before, Value Pak may be purchased without purchasing Standard Service. Please note that the Value Pak services will no longer be available on an individual basis. The rate for this service will increase \$.68.

A new rate card and channel line-up are included for your convenience. **Please note on the channel line-up that PPV Prevue has been deleted to accommodate AMC.**

What does this all mean? If you're a Preferred Service customer, you'll be receiving a new service for \$.62 more than you're paying now.

If you have any questions regarding these changes, please contact our Customer Service Department at 391-7550. Thank you for letting us continue to serve you.

Sincerely,

COMCAST CABLEVISION
